“ I remember the first-time meeting, Vicki! I became friends with Pam in high school and we wanted to hang out one day. Of course, it was not until I meet her parents. Well, when she found out who my parents were, she was like lord I baby sat your mamma.

“ *I'm so so sorry to hear of Vicki Jane's passing. I've known her since we were in the 7th grade. Played basketball together and just enjoyed each other's company. To know Vicki was to love her. She was a mess. She would tell it like it was. I will miss our talks and reunions. We just spoke not long ago. Vicki you will surely be missed but I know you are happy where you are with Jesus, your girls and Joanne. Louis, you and Abigail will be in my prayers.*
