“ *Bailey Dirba, my grandson sends his love to the family from his home in Texas. He met Doc at Roper Mountain when he was 6 years old. There was an immediate bond between him, Doc, the horses and the earth. Doc was a mentor through his teen years not only about farming but work ethics and love and care for animals and all people. These are all cherished memories.* Steve McGahee

“ Dr. Campbell was a Gem 💎. I started working with him a few years back as one of his caregivers at Water Stone. Since Day One, We Just Clicked. Honestly, I Don't Know A Soul That He Didnt Click With. He Was Moved From WaterStone To NHC In Mauldin And Of Course I Followed. I Have Definitely Looked Forward To Seeing His Smiling Face Daily. I Will Always Cherish All The Activities, Events, Bible Study Classes And Birthdays That was Celebrated With Him. I rejoice In Knowing That He Knew And Loved The Lord. I Witnessed It Every Monday In Bible Study Class, In Fact Our Last Event Was Bible Study Class. ( He Was Beaming) I Am Truly Grateful That Our Paths Crossed. I Miss Him But Find Comfort In Knowing That God Has Him. He Will Definitely Be Missed But Never Forgotten. Take Your Rest Dr. Campbell. Job Well Done...Shelby G. ( Comfort Keepers)

“ I worked for Dr. Campbell at Mountain View Orthopedic. He was always so nice to his staff and his patients. We loved hearing his stories about the wagon trails he would go on and especially going to farm day on his farm. I was also honored to worship with him and Gail at Mt Lebanon Church. He will be truly missed. Praying for his family. Sandra Herman

“Doc” was a true friend to the Hayden Kemp family. We all enjoyed Farm Day and the many wagon and sleigh rides. In addition, Dr. Campbell was a very kind and compassionate surgeon. He definitely left a legacy on Pennington Road.

“ Can not say enough about how great a friend and man Vic. was to me and my family. My grandson Bailey and I worked at the farm for almost 20 years. Vic never met a stranger, befriended all, and made all effort to be welcoming. He cared for the farms and farmers around him. We made several trips to Ohio with him and to Horse Progress Days. He taught us how to harness the horses, plough the field, and harvest the corn and oats. Memories Bailey and I will always cherish.
