“ *It was a privilege to meet all of you last week at the hospital. I am deeply sorry for your loss. It would have been a blessing to know "Vi" as all of you knew her. Be comforted in knowing she is at rest. Be comforted also in knowing many are praying for all of you through this difficult time. If in the future I may continue to minister to you, please contact me any time. "Lord, this family is walking through this valley, so go with them and overwhelm them with your comfort and peace."
