“ Aunt Viola was a very special person with hopes and dreams that didn't always come true but she accepted things as they were. She loved her family and wanted all of her children to have an easier life and to be happy. I loved her very much and was always happy when I was able to see her. Brad and I send thoughts and prayers to all of those who loved and will miss her. As my mother's youngest sister and the last member of Rufus Howard and Lou Emma Pruitt immediate family, a chapter of our family history is closed.
