“ *Grandma,*
I always depended on you while growing up. You were the only one I'd share my secrets with. You made me feel incredibly loved and you always knew just what to say when I had had a bad day. Your love was amazing. It taught me how I wanted to give love to my own children. It was selfless, hopeful, and understanding. I never heard you say anything negative about anyone or anything even when it seemed appropriate. You were always strong beyond words. Your unconditional love made us a close, loving family! I am missing you everyday, but I know that you are happy, healthy, and in the loving arms of our Lord! Forgive me crying and asking why! Forgive me for wishing you were still here. Forgive me for being selfish because it hurts so much to let you go! I know that I will see you again! So, until then, watch over us, and always remember how much you are loved!
