“ To The Family of Virginia Carson, I would like to extend my condolences to you all. During difficult times such as these, we could all use a little comfort. I can say that although I did not have the personal privilege of knowing her, I, too, know the pain of losing someone whom you love so dearly. I have and still am able to find comfort through God's promise of a resurrection by means of His son Christ Jesus. Very soon Jesus will "call out to all those in their memorial tombs and they will hear his voice and come out."-John 5:28,29. What joyous time we have to look forward to when we can reunite with all those we've lost in death....to be able hold and embrace them once again. This is a promise that I hold close to my heart and mind. I hope you will do the same as you dwell kindly in my thoughts and prayers. May you find peace.##imported-begin##Karen Golson##imported-end##

“ Dear Buddy and Family:
We were sad to hear of Ginny's death - she will be missed by all who knew her. Everyone who saw Dr. Allen remembers - she was a friend to many. Her and Aunt Geri were great friends and shared a lot of memories as neighbors for years. May God's love and mercy give you peace during this sad time. God bless you all.
With our love and prayers, Clyde & Linda##imported-begin##Clyde & Linda Coggins Roberts##imported-end##
