“ Sam, Mitchell, Tim, Benny, Tracy & family,  
Our prayers go out to you and the family during this time of sorrow. It is our prayer that God put a hedge of protection around you and the family for comfort and peace. Granny Hannon was such an inspiration to all. She never greeted you without a smile on her face or a loving hug. When you came into her home she was always making you feel at home. Her love for you and the family will never be forgotten. As I go thru life remembering some sweet funny phrases "Home again home again jigity-jig" she used to say to the grandkids when Chris was growing up just see her face light up as she is the kids would laugh -so heart warming to see that special love. She was such a role model.  
May God Bless and give you great comfort!

We love you,
