“ I was saddened to hear about Virginia's passing from this life. I regret I could not be there to visit with the family tonight. I graduated from Blue Ridge High School in 1956 with Virginia. She was loved by all of her class mates.

Thinking about Virginia with love, respect and fond memories.

With much prayer for the family,

“ Greg, Wendy
*I will always remember your mother and grandmother.
We shared some great times together dispartaching and talking
about you two.
I have in my possession the Dollar Bill and wallet she gave me in
1992 for Christmas. She told me to keep it always and I would never
be broke.
I will always love and cherish the times spent with Virginia.
I love you all and I will miss her deeply.
I will keep you and Wendy, along with your family in our
prayers.##imported-begin##Mark Cleveland##imported-end##*

“ Wendy, Greg and Family,

We are praying for you during this time. We know that words can't express exactly how we feel, nor can they take the hurt away. Just know that we love you all and will miss Virginia so much!

May God soothe your heart and let you focus on celebrating her life!
