“ John and Ginger, it is hard to know your Mom has departed. She endured (me!) and endeared herself to me during those years after I discovered a basketball and her backyard asphalt! Of course, Uncle Al had some Pepsi stashed in the garage. And the chain and pulley with the bucket over the well with that wonderful cold water was nearby. Aunt Virginia should have sent me home numerous times, but she was very kind and didn't. The last time I saw her she was singing with the group visiting RHNC on a Sunday afternoon. Seems like one of the songs was Rock of Ages. What an awesome prayer song it is! Though I have not been in close contact over the years, I miss her. Uncle Al is also missed. I am thankful for the blessings they both were to me. Your parents are two special people. May your precious memories inspire you and may the grace of the Lord Jesus be your strength.##imported-begin##James (Jim) White##imported-end##

“ Ginger and James...Johnny and Jeannie,
Last time I visited Aunt Virginia we sat in the dining room singing hymns. She knew every word and verse of every hymn played by the piano lady.
My Mama is sure going to miss visiting her favorite Aunt. And I will too. Aunt Virginia never missed saying to me, 'Rena Ann you better get to work.'
Or she'd laugh and say, 'Go on you devil and get to work.'
I loved her and will miss her.
My thoughts and prayers are with y'all ,

“ Ginger and John: I have many fond memories of "Granny". She provided many humerous moments and loved to get in that bed when her back hurt. I saw her several weeks ago when I visited RHNC and she still had the smile on her face that was so plesant. I know that you will miss her. It was a pleasure to care for her and to serve you on your many visits. God Bless.##imported-begin##George Shockley##imported-end##
