“ My sincere condolences go out to Louie, Val and Scotty and Vivian's extended family. Vivian was one of a kind. I remember when we were kids, and she was dating Louie, she would come to see us and bring Nicki and I paper dolls. She would get in the floor and play with us. We knew how special she was, even back then. And time hadn't changed that. She was one of the best people I know...never heard her say 1 thing bad about anybody. She was a treasure our family shared. I will never forget her smile, her laugh and most of all, her kindness. She loved her family and was so proud of her kids. I will miss her. Praying for strength for everyone in the coming days. Love you all.

“ I will always remember Vivian as being such a loving person. You could feel the spirit of the Lord by just being around her, even the times in the hospital after the accident. She is healed now and has already seen Jesus, that is what we as Christians long for.
