“ I met Vyrle when I was 17 years old going to Greer, she was always so happy and met me with a smile and after all these years she may have slowed down but was still the same Vyrle. For me Greer Dragway won't be the same. My prayers are with Mike and the family. Will never forget her. Chuck Chism

“ Vyrle was a very sweet lady and was also like a mother to me. I worked with her for many years at State Auto. A special memory of her was when I attended beauty to become a nail technician, she came to me at work and asked if her nails would do because I was going to need somebody to practice on. It was surprising to me, but she actually drove to Greenville each week to get her nails done just so I could get the credit and the practice and I continued doing them for years. This is just one memory of her that I will never forget. Mike, Roxanne and your daughter, I love you all as my family and my heart and prayers are with you during this time of sadness. We will see her again in heaven. Be blessed.
