“ David was a good friend and he could make you laugh. We ran into each other in the Atlanta Airport and got to talking and we almost miss our flights we were so caught up in our funny stories. He will be missed by all who were privileged to walk with him.

“ So many times I met David and I never got a picture of him. Thanks so much for posting this picture. David was a great friend and a great cook! I think he would give you a shirt off his back if you needed it. This world has lost a very special person but he will always be in the hearts of those who knew him well.

“ When I first met David we were attending a National Convention for Satellite Dealers from accross the county. We were having the meeting at Opryland Hotel in Nashville, TN. The first evening of the meeting we were in a large banquet room with hundreds of people in attendance they were showing photos with a big projection screen at the front of the room. They flashed up a photo of David Chastain and the entire room went up in a roar of appause and shouts. It was amazing to see how many people loved and respected him. He will always be remembered as someone who was there to help people in any way he could. He will be greatly missed by everyone.
