“ ORANJESTAD, Aruba - Felix rapidly strengthened into a dangerous Category 5 hurricane and churned through the Caribbean Sea on a path toward Central America, where forecasters said it could make landfall as “potentially catastrophic” storm.

Felix was packing winds of up to 165 mph as it headed west, according to the U.S. National Hurricane Center. It was projected to skirt Honduras’ coastline on Tuesday before slamming into Belize on Wednesday.

“As it stands, we’re still thinking that it will be a potentially catastrophic system in the early portions of this week, Tuesday evening, possibly affecting Honduras and then toward the coast of Belize,” said Dave Roberts, a hurricane specialist at the center in Miami.##imported-begin##infatkart##imported-end##

“ *Jeff and Dani,*

No words can express the loss you have in your hearts. My prayer is that in time, God will heal your broken hearts and help you to find some peace. Below is a poem that I found while searching for words that I could not find. May God's love be with you both. He alone can comfort and heal your broken hearts.

*With heart and soul felt sympathy,
Richard, Laura, Spencer, Jordan &
The Ritter Family*

A Child Loaned

*"I'll lend you for a little time
A child of Mine." He said.
"For you to love the while he lives
And mourn for when he's dead.
It may be six or seven year
Or twenty-two or three
But will you, till I call him back
Take care of him for Me?
He'll bring his charms to gladden you
And should his stay be brief,
You'll have his lovely memories
As solace for your grief.*

*I cannot promise he will stay
Since all from Earth return,
But there are lessons taught down there
I want the child to learn.
I've looked this wide world over
In my search for teacher's true,
And from the throngs that crowd life's lanes,
I have selected you;
Now will you give him all your love,
Nor think the labour vain*

*Nor hate Me when I come to call
And take him back again?*

*I fancied that I heard them say,
"Dear Lord, They will be done,
For all the joy Thy child shall bring,
For the risk of grief we'll run.
We'll shelter him with tenderness,
We'll love him while we may,
And for the happiness we've known,
Forever grateful stay.
But should the angels call for him
Much sooner than we planned,
We'll brave the bitter grief that comes
And try to understand."*
