“ *Do not stand at my grave & weep. I am not there, I do not sleep. I am a thousand winds that blow. I am the diamond glints on snow. When you awaken in the mornings hush, I am the swift uprising rush; of quiet birds in circled flight. I am the soft stars that shine at night. Do not stand at my grave & cry. I am not there. I did not die. I live on in your heart. My Uncle Wallace was the best Uncle~ he was there for me when I needed someone the most. He gave of himself so unselfishly, and held my hand & comforted me when my Dad died. (his bro ~ Bobby) He lives in my memory, and will always be there. I love him so much. “ *Just a prayer for all of the family. I know it has been hard on the Burgess Family this year. We have to take each day at a time but God gives us strength to over come it. It will be many days that are hard to get thru. My love goes out to all. A friend in Christ, Love, Nita###imported-begin###Juanita (Nita) Williams###imported-end##*

“ *Myrt, Martha & Jeri*
So sorry to hear of Wallace's death.
I have so many good memories of him going back more than fifty years.
He was always the same way every time I would see him.
I always appreciated the work he did for us when I was with Cone Mills Union Bleachery Plant.
I was thinking about him today before I read his obituary because of the weather being so warm on Christmas Day. I remember riding around with him one very warm Christmas Day in his Oldsmobile convertible with the top down. That was a long time ago.
May God bless and be with each of you in your loss.##imported-begin##Jim Wilson##imported-end##

“ Myrt,

You know my feelings for Wallace, I don't have to say. Just want you to know what an impression he left in my mind with knowledge and in my heart for caring. He did not always say it, but you knew it was there.
