“ You will be missed my friend. We had many laughs at work. I loved those fishing stories you would share with me. When I think of you, Walter, I always have a smile on my face. When you retired it wasn't the same not having you around. To Walter's family and friends our thoughts and prayers are with you. When I heard today that Walter had passed I couldn't say anything because we had good times at Michelin. God bless. Sincerely, Larry Biddix

“ I'll miss u more than life itself. I hope I turn out to be just half the man you were. You may be gone but you will never be forgotten. I will always take care of mama, Karen & Tiona. I will always love you & cherish all the moments I had with you. Fishing trips won't be the same without you, but you will always be there with me in my heart. I'm lucky to have had a great father like you! Shanna loved you just like a dad instead of a father in law & misses you very much!
