“ Rest in peace, Daddy and Grandpop. We love and miss you and Mom every single day. But I’m glad you are no longer suffering and are finally with Mom. I don’t think I’ll ever get used to the quiet in here. I can still hear your loud tv playing in the mornings. ❤️

“ I knew Bud as a student at Furman right when he started his Sinatra radio show. I was the sports director of the radio station at the time. I knew he loved doing that show - he would ask me for tips about how to improve it. He was a great guy to know at Furman. My condolences to the family, he certainly enhanced my experience in college.
