“ Dear Patsy,

Mom and dad told me recently of your loss and I wanted to send my condolences. I have fond memories of being at your house as a child, and of the quiet attention that Belton's gave to me as one of Sid's friends. I recall going to a PC basketball game with Sid and Belton (probably my first college game), and was thrilled! I do not know the circumstances of Belton's death, but I was shocked to hear that he had died. My prayers will be with you as I remember you in the coming weeks.

I have thought about Sid a great deal lately. Having missed him at several recent CHS reunion-type gatherings, I have wondered where he is and what he is doing. I would love to send him a note as well, if you would forward to me an address. Dad said he had seen Sid at the funeral and was so impressed with him. I see in the obituary that he has three children. I know you are proud.

Please give my regards to Sid and to Kiim and all the family. Our prayers are with you.

Grace and Peace,

“ Dear Patsy, Kim & Sid,
I was very sorry that I couldn't come with Russell yesterday. It was a tribute to your families that there were so many people there. I'm sure Russell told you that I was keeping Russ and Amy's boys while they were away; Russ had asked about Sid during Homecoming. May God bless all of you with many happy memories of the past.

“ Patsy,
Our prayers and thoughts are with you and your family during this time of sadness. Belton was my beloved brother and the only family member that I could trust. I have never heard anyone say a harsh word about Belton. He had a kind and gentle spirit. I think the service was beautiful and carried out in a very professional manner. If there is anything that we can do for you, just let us know. Please feel free to call us anytime, for anything.

Love,

Marvin and Carolyn###imported-begin###Marvin Jackson###imported-end##

“ Although we can not be with you in your time of sorrow, please know that we love you dearly and our prayers are with you. I have very fond memories of my summers growing up and visiting my family in S.C. one of my favorites is of Uncle Belton teaching me to water ski! I think I drank the whole lake! I just want Aunt Patsy, Syd and Kim to know how much we love you and will keep you in our prayers! I am so sorry we could not all be there from Las Vegas.##imported-begin##Nancy Rae Follis and Family##imported-end##

“ Please know that my prayers are with BJ and his family and friends. I worked at Leigh Fibers for years until 1999. I remember him fondly. Everyone that knows BJ always could call him "friend". He was a pleasure to work with, and my memories of BJ will always be of his kindness, sense of humor, and his smile when he greeting everyone. Please accept my heart felt condolences. I know that BJ will be greatly missed by everyone that were blessed to know him. I will continue to pray for you all. May God be with you during this difficult time.

“ Belton (BJ) Jackson hired me at Leigh Fibers when I moved to SC. in 1983. I no longer work at Leigh, but have very fond memories of (BJ).
He was a great supervisor and plant engineer. He was as good as they come. I worked for Mr. Jackson, but he was my friend. He will be missed by everyone who had the opportunity to know him. My thoughts and prayers are with his family and friends.....John Valdes###imported-begin##John Valdes###imported-end##
