“ I am so sorry for your loss. It is hard to understand why our love ones are called to God's side, but he needs them to continue their work for him closer to his side. Please take comfort in the knowledge that she is happy beside him and busy looking after you from God's side.

“ Craig and Family, I am sad to learn of Wanda. She and Palmer were our neighbors on Center Street on Taylors mill Village in 1961. We enjoyed them in badminton games, card games and just visiting. They were both our best buddies but we lost touch as we went in different directions over the years until Palmer passed away and I talked to her to catch up. They both were special friends. May God's love, and grace give you peace during this difficult time and may your memories give you comfort in the coming weeks. Sent with love and prayers,
