“ *Joe, Crystal, I am so sorry for your loss. I worked with Wanda at Tietex many years ago and we went thru pregnancies around the same time. I just watched the video and it is a wonderful tribute to an amazing woman.*

Wanda had such an beautiful smile. The video made me smile and it brought tears to my eyes as well because Wanda left this earth much too soon. She is in a much better place and I know we will all meet again some day. Your family is in my thoughts and prayers!

“ *Wanda was an inspiration from the moment we met. It was an honor to care for her and the family during her journey. Many precious memories and friends were made. Thank you for the laughter and tears we shared. My heart hugs you especially, Crystal. I shall never forget the difference her journey made in my own nursing journey. I saw Gods work in your lives and the lives you continue to touch. The battle is over (she fought it one Cheeto at a time) and the victory is hers. May God comfort each of you with the comfort only He can provide.*

" ..Your Mother is always with you.

She is the whisper of the leaves as you walk down the street.

She is the smell of certain foods you remember.

She is the flowers you pick.

She is the smell of that special perfume she wore.

She is the cool hand on your brow when you're not feeling well.

She is your breath in the air on a cold winter's day.

She is the sound of the rain that lulls you to sleep

She is the colors of a rainbow.

She is Christmas morning.

Your Mother lives inside your laughter, and she is crystallized in every tear drop... "
