“ *We were friends with Wanda & Larry in the late 70's and early 80's when all of our boys were young. We were in the Jeep Club and we cooked out at each other's house about every week end. We shared a lot of good times and some sad. She was a sweet loving person who will be missed!* ❤️

Beautiful pictures Breanna. I'm so sorry I haven't been back down there. Y'all have been in my thoughts and prayers. Your Nana was a beautiful woman inside and out. We were always like sisters. She had a heart of gold and she would help anybody and she helped me so many times and I really appreciate everything she did for me and my family. I love her with all my heart and I'll miss her so much. She will be missed by so many. I wanted to come to the funeral but I don't think I'm going to be able to make it and I hope y'all won't think bad of me but it's just been such a short time since we lost Haley and then your Nana (my sister) and I just don't feel like I can make it. I hope y'all don't get upset with me. I love you all. Take care and God bless you all. Love you all always.
