“ When mom and I visited Maebeth and Wayne, I would talk to him a lot and he would tell me about his days in the National Guard flying with Fred Rector here and there. He loved sitting out on his porch on Kensington and watching the birds, smoking and drinking coffee. He liked to talk and I enjoyed listening to his stories. He was a fine man, and funny too! We are so sorry for your losses. We loved Maebeth and Wayne. Linda & Joan McGill
