“ Wayne has painted my house, and detailed my car. We were friends, neighbors, and related by Mustangs. One day my dogs were fighting, and I was trying to stop the fight. Wayne came down from his house to see if he could help. Smile.....that really helped me! I think the world of he and Analyn. RIP friend~

“ We met Wayne several years ago at an event for Cystic Fibrosis.
A couple of years later, we met his beautiful wife.
Wayne was always helping and making folks smile.
The car enthusiasts world will not be the same.
Prayers for Wayne's family.
