“ Trey and Travis - Your dad was one those rare individuals that everyone, no matter of status, felt at home with him. When you were speaking with him or just standing listening to him talk with others, your interest was held. This is such a great gift and it touched many lives. I am so sorry that you both lost a father and those precious children lost a grandfather. I am grateful that God made our paths to cross.###imported-begin## Rhonda Brock##imported-end##
