“ Dear Frankie, I really hate I was unable to attend the service today! Your family has always been a special part of our lives for the last 36 years! I remember you and Amy playing in the driveway at Mother's house when you were just kids! Your Dad was always so helpful and kind to us, especially when Tom had tractor problems!

You have so many great memories of times with your Dad, so dwell on them now. Although his passing was too soon for all of us, take comfort in his method of passing...what a blessing from God to not have suffered with disease. Do things now in YOUR time. And always know that your friends here at Surfside Beach love you and are there for you!

May God bless you in the difficult days ahead and give you strength.##imported-begin##Betsy Meccia##imported-end##
