“ Brenda, Dwayne and Chris. I was so sad to have learned about Wayne yesterday. I kept reflecting back to when we were just little kids growing up on Carole St. I am thankful for those memories and will always cherish them. Dwayne it's hard to put feelings to words but I am very sorry about your Dad. Always remember everything he taught you and pass that on to his grandchildren. My deepest sympathy goes out to all of you. I love you guys, Bryan##imported-begin##Bryan McCoy##imported-end##

“ No words can really express how sorry I am for your family's loss. Having lost my father 3 years ago now, I can understand some of what you are going through. It is so hard to lose the man that was the head of the family, the strong one that held it all together...but know that he is in a wonderful place and will always be watching over you. God Bless you all through this time.##imported-begin##Sherri (Kennemore) Forrester##imported-end##

“ We were so saddened to see the news yesterday about Wayne's death. We have such good memories of those years when our sons were playing football at Riverside and when they were fishing down at your lake house. I particularly recall the day when Chris and Micah placed in the fishing tournament and Ken and Wayne were so proud of the boys. We are praying for all of you.##imported-begin##Cathy Sepko##imported-end##
