“ *We had so many stories in the past 25 years of our friendship. Eating circus peanuts while goofing off at a Walmart at 1am, riding with the top down on your mustang convertible with the heat blazing because it was too chilly, going to church with you and your family gaining my nickname Mandipea, never being anywhere near as tan as you, your mom or Debbie, gosh I could go on and on. You were a true friend, no matter the time in between seeing each other we would just pick right back up. Watch over us all and I look forward to seeing you again one day. Love you so much Wendy Lou! Rest easy my dear friend!* ”

“ *I still can't believe she is gone. She had the most beautiful smile and she loved everyone. I am so grateful to her for helping her Mom teach Sunday School at ARUMC. Wendy would make pictures of my grandkids and share with me. There are truly no words that can express the magnitude of this loss. My heartfelt prayers are with Ann and David and Hannah. I pray God will provide the comfort you need to get through.*
