“ *Whelchel is missed already. When I stopped to see him, he always made me feel so welcomed and loved. I enjoyed the visits when I would go with Daddy and Mama then later with Daddy.....so enjoyable to hear them talk about old times. As I have said many times, he reminded me of Daddy. After Daddy passed and I visited; we would laugh, many times cry but when I would leave, he never failed to say "come back anytime and be careful going home". Our loss is certainly Heaven's gain.*
