“ I volunteer with Sacred Heart Beats. We have been bringing drum therapy to the Patrick Center for nearly two years. I am so thankful to have gotten to know Billy Wood a little bit. He was probably the sweetest person I've ever met. His smile, enthusiasm, and joy could energize the whole room and I just loved spending time with him. I am so deeply sorry for your loss. I think he really touched everyone he met with his kindness. I will always keep Billy in my heart. Here's a video of him playing in a drum circle- there's a great shot of him about 1:25 minutes in: https://youtu.be/yN3_izl8v2Q. His glee at the end of the video makes me love life! I'm going to miss him, his laugh, and his smile terribly. Sending so much love to your family,

“ *Tonya and Mrs. Martha,*
So sorry to hear about Billy. I didn't know him personally but have heard so much about him from Rhoda over the years that I feel like he was part of the family. I've kept up with his journey on FB and prayed many prayers for him. God healed him...just not in the way we all hoped. He loved his family, that I could tell. And you all gave him an amazing life. I am so sorry for your loss and pray for your peace and strength. I keep remembering the pictures Tonya posted on Saturday night when you all went out "loafing". His smile and yours says it all!
Love you all.

“ *I was blessed to know Billy over a 5-year span at Camp Spearhead. Billy enjoyed all the camp activities and I remember him singing around the campfire having the time of his life. He loved having fun! His smile was contagious and he spread joy to so many! May we remember Billy by sharing a smile with others! May God give you peace.*
