“ Dear Lorraine,

I send my deepest sympathy to you and your family. You are in my thoughts and prayers.

Bill was a great friend and co-worker at Verizon. He always made me laugh with the things he use to do and say. I enjoyed his e-mails and face book messages he sent. I will miss him.

Sincerely,

Nick Magarelli

“ Dear Lorraine,

I send my deepest sympathy to you and your family. You are in my thoughts and prayers.

I will never forget how you and Bill opened your heart and home to me on September 11, 2001 and the following days. Your incredible generosity of spirit has stayed with me and been a source of inspiration in my life.

In more recent years I have always smiled when Bill would comment on a post that I made on Facebook. I think he was my biggest fan! I will miss his kind words and that he always took the time to show that he cared.

I send you all my love.
