“ It just seems like yesterday our children were young playing together. Then we turned around and our children grew into teens and Gerald and us would ride our motorcycles together.

Then everyone got busy and time flew by. Now Gerald has been called home. No more pain and went home too soon. We love and miss you already Gerald.

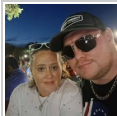

My heart goes out to his sweet family left behind. I love you all bunches. Hugs and prayers to Loretta, Crystal, Kelly, Jena, Gladys, Henry, Gloria, and all his grandchildren and nieces and nephews and other family members.

May God bless each and every one of you and God send His Angels to wrap their arms around you all and send each of you peace.

I pray that if Gerald has one family member or friend that has not given their heart to God, please do where you can see him again in Heaven. God bless and I love you all. Call me 24/7 if you need anything.

He was the best granddaddy I EVER had! I know he is looking down on me, when the sun is bright or when there is a full moon, and I remember everything we did together and everything he told me. Even the day when we was standing there just watching the horse eat and he was looking out towards the distance and then he just randomly said,

"Boy don't get too high on a bottle,
And get right with the Man,
Fight your fights, find a grace,
And all the things that you can change,
And help somebody if you can."

I miss him and I pray, I get to be by his side again.
