“ I have known Bill since I was a small child in our neighborhood. In my teens, he was the coolest band bus driver ever. It wasn't until I was an adult that I was blessed to know Bill as a friend, fellow Byrnes football super fan, and believer in our Lord and savior. Our football crew will never be the same without Bill and his Rico Suave dance moves. Pat, Christy, and the rest of his family... we pray for comfort during this time and assure you that he is dancing and singing in paradise, now!
