“ Like everyone that knew Mike, I am saddened by his passing. I have many fond memories of Mike and every one of them still make me laugh. Whenever you were around Mike, You were GOING to laugh! Mike and I became friends while working together (along with Shoob) at Mega Market during high school. We also entered Memphis State together and remained friends there as well. We cut up, laughed, and made more pizzas than you can possibly imagine! To share a few: Imitating some of our coworkers - I can still see him crack up when I imitated "Carl", suavely moving our hands across the sides of our heads in a pose for the ladies as they walked...on... by...., making sometimes suggestive announcements on the store's PA system, his singing "Hey Mikey, you're so fine" - I remember that too, Andy. Getting FM100 to dedicate a song to the Phi Spika Ikas on the air! Jams and Topsiders,... performing Three Stooges routinesto name a few.

Life hits you and we moved on our separate ways as it happensTo quote the film "Stand By Me" - "Friends come in and out of your life like busboys in a restaurant" -- but you always remember the great ones! Mike was simply a great guy!

Godspeed Phi !! We will all miss you!

To Mike's family and friends, my thoughts are prayers are with you!

“ Just like everyone else, I am saddened beyond belief but for those of us that knew Mike well just the thought of him brings a smile to your face and a host of fond memories. Here are few random thoughts about my best friend growing up in Raleigh.

- Oh Mikey your so fine, your so fine you blow my mind, Hey Mikey!
- Phi Doo
- Hey Bloomer (courtesy of Bill Bryan)
- Hey Buckwheat (also courtesy of Bill Bryan)
- Failed attempts to impress the girls with creative flips and dives at the Moose Lodge
- Walking to football practice together everyday for the Raleigh Egypt Cougars
- Stopping at the 7-Eleven after every practice for a Big Gulp Slurpee
- Waiting anxiously to ride the 4-wheeler next at our end of the season T-Ball party only to have Mikey wreck it into a tree.
- Admiring his speed skating prowess at Raleigh Skateland. He was the greatest!
- His huge smile and studly attitude when he got his new Camaro
- At 10-12 years old, fighting over a 16 yr old girl we both had no shot at....
- My mom waiting at the door with wet rags to clean up both of our bloody noses after the fight
- Friends again 5 minutes later....

I could go on forever and I am sure I will from here on out. Though we drifted apart and our lives went in different directions, I will always cherish the memories of my best friend Mikey. You will never be forgotten.

To Bill, Bobby, Linda and the rest of the family, you are in my thoughts and in my prayers. Heaven will never be the same since Phi Doo has come to town.

“ I remember coaching Mikey in sys football and hanging with him at the moose pool every summer. He was a great football player and had a genuine care for others. I was 5 years older than him so I believe he looked up to me. The fact is I looked up to him. Our loss is heavens gain. RIP my friend
