“ To Janie, Harriet, Lesli, and Patrick,
I was so sorry to hear about Billy's death. Memories came flooding back of the good old days when we were all growing up in the neighborhood. What a wonderful time we had as kids and great memories we share of playing touch football on the lawns of Ridgecrest Circle, riding bikes around the neighborhood, and sledding in the winter. Please know that all of your family are in my thoughts and prayers. May you have peace in the days ahead.

“ *Billy was such a kind and gentle man. He loved his family very much and treated me so kindly when I spent time with the Cloningers. He had a ready smile and a little something to make you laugh. He was a fun uncle to my daughter, Lyndsey. She will laugh and tell about Billy making ice cream, setting up Easter egg hunts, eating a whole container of his favorite ice cream flavor and she worried that something was wrong with Uncle Billy because he didn't eat spaghetti. I pray that Billy finds freedom and peace awaiting him in heaven. And I pray that his whole family finds strenght and wonderful memories to sustain them during the days ahead.*
