“ Mr. Bill was one in a million. Him and his daughter gave me a chance 20 years and I will forever be grateful. Mr. Bill helped me in so many ways as he did others. He was always thinking of others before himself. A true man of God. In our early days of working together we had long talks. He would vent, I would vent and a bond was developed. He was my second father and I was truly blessed to have him in my life. Thank you Mr. Bill for the memories, I love you and miss you.
