“What a true "Man of God" and such a blessing it was to have known "Brother Clint." His prayers reached the Throne Room and he was so loved by so many. Prayers being sent to ALL his family and friends. It's great to know that he finally got the revival he has prayed for throughout the years. There has never been a kinder, more gentle and caring person. Looking forward to seeing this very special saint when I get to Heaven and checking out his crown with ALL those jewels.

“My family as well as myself has truly been blessed throughout the years by such a wonderful, anointed man of God. When he prayed for you, the presence of the Lord was truly felt. His love for the Lord was ever present on his face and reflected in Clint's daily lift. Our most heartfelt prayers are with the family.

“I was Mr. Dobbins CNA for quite some time. It didn't take long for me to get to know and love him. He was so sweet. Always wanting me to read Bible verses for him and always wanting me to pray with him. Everyday coming into work, he was the first person I'd check on and I'd always make sure he was ok and good before I left at the end of my shift. I feel truly blessed to have met a man such as Clint. I'll miss him always and he'll always be in my heart.

“ My deepest condolences to the family. Clint was truly a Godly man; he KNEW God personally. His love for the Lord was reflected in his love for others. I was privileged to have known Clint since the early 70's, having attended First Assembly of God as a child with my family. It was in the midst of the Charismatic renewal, at a revival service in that tiny church where he "prayed through" and led my dad to the Lord, and for this I am truly grateful. I'm sure they are dancing together before the throne! I regret that I will not be able to attend his celebration of life, but my thoughts and prayers will be with the family.

“ *Mr. Clint Dobbins has been a dear friend of the Snells and the Wells for a very long time. He was a wonderful man of God and a strong prayer warrior. I shared several enjoyable visits with Clint in the past year and his memory was so sharp. He talked of his childhood and early married days. He remembered many miracles and moves of God that he had witnessed. He was always ready to pray and what a blessing it was to have him pray for you! On one visit he asked for a mirror and he talked about how long his hair had gotten--he asked me if I had my phone and he said I must take a picture! (always the character)*

I look forward to seeing my friend, Clint again one day--he'll probably be assisting with greeting at the pearly gates.

“ *My deepest condolences to Clint's family. One thing I could say is that when Clint prayed for you - you had been "prayed" for. He could certainly get through to the Father. I respected Clint's walk with with the Lord greatly and have nothing but fond memories. Heaven gained a great man!!*

“*Clint's wife Sara was right, "Clint Dobbins IS a good man!" I will miss his sweet, soft voice and hugs as he told me "I'm glad you got to see me today!". I was always glad to see Clint. I can imagine the rejoicing that was going on in heaven as he entered to meet his Lord. "Well done, good & faithful servant". Our love & prayers to his extended family.*
