“ It is so sad to hear of Bill's passing. I had the pleasure of working with Bill for a number of years. I often referred to him as "Farmer Bill". He always had a garden and brought plenty of vegetables to share with everyone.

Bill and I were talking recently and he reminded me of the time I saved him. He had put a piece of aluminum foil in the microwave and needless to say it blew up. Fire and sparks flew everywhere. It was scary at the time but we laughed and laughed about this.

To Jane, it was good to talk to you. I will keep you in my prayers. May God give you the strength you need in the coming days ahead.

My deepest sympathy,
