“ My heartfelt sympathy to the family in the passing of dear Bill. He worked with my Dad for many years at Independent Life and were big buddies and enjoyed sharing those working years. Bill and sweet Mary were friends with our family leaving me fond memories of those times. Bill always had some stories to tell of work during those days which kept us laughing. He and Mary were such a dedicated Christian couple and loved by family and friends. May God's peace and love be especially felt during this most difficult and may your memories give you comfort and some joy in the coming days. May God bless you all. Sent with my love and prayers.
