“ My deepest sympathy is shared with all Mr Lawrence’s children and his caregiver, Ms Geraldine. I have really grown fond of “Woody” during these past months of delivering Mobile Meals to him. He was always my last delivery so being retired, we had extra time to talk about our pasts and our presents. He was just like talking with family and I will truly miss him. I know I will see him once again when we meet in heaven.

“ Jeff and Brad and the rest of the family, I'm sorry for your loss. Even though our paths rarely cross, I cherish our friendship from the early days. I can remember Woody driving me from Byrnes to Duncan Elementary. He was a friend to my dad as well. I will be out of town for the service but God bless all of you! Richard King
