“ Dear Aunt Kitty, Rebecca, Graham, and Mary:

*We are saddened by Uncle Bill's death, but we have many wonderful memories to cherish... from picking peaches in the summer, swimming at Silver Lake, (and being amazed that Uncle Bill could hold his breath under water for 5 minutes! ) to those great cookouts, where the kids ate hamburgers and the grownups ate steaks! And of course we'll remember the many special Thanksgiving dinners we shared.*

*Uncle Bill made a difference to all us cousins when we were children, but we also witnessed what a special brother he was to his four sisters. They adored him.*

*My prayers and thoughts are with each of you during this sad time.##imported-begin##Sally Solesby##imported-end##*
