“ Donna, I am so sorry for your family's loss! I spoke with HD last week before he went into surgery. I talked to him for over an hour. All he wanted to talk about was what the LORD has done for him and about the Bible. I hope this gives you some comfort to know that he did Love the Lord and left here trusting in him. If we have trusted Jesus as our savior, we will see him again. Praying for you, your children, and grandchildren.
