“ Thoughts and prayers for the Moon family in the passing of Bill. I have fond memories of him from Greenville Tech. He was a very intelligent guy, always smiling and humorous.

“ Back in the 60s when I was dating William's brother, Lee, William was the typical little bratty brother who was relentless in his teasing. I would not have come across this obit if I had not been checking the tribute wall for my father Claude Bishop. My sincere condolences for Mr. Moon and Lee.
