what a great guy and in my eye as a father he is what we all wish to be, always had a smile and a good story for me and was a man you wanted to hang around. He was always very good to me and I will always remember him for that and his shoes will never be filled, to the family , my heart goes out to each of you and am as sorry for this as can be. I wish each of you better days filled with great memories.
