My thoughts are with you Mr. Tate, Bonne and Paula. I remember Bills and his ability to make you laugh even when we were mad at each other. Liking each other but not yet old enough to date, mu mother would pick him up and drop us off at the old movie theater many times. Bonne and Paula, i think that you both took us to Carrowinds. He was a good first boyfriend and his heart was good. I know he will be missed by all who knew him... I still have the giant Penny the Woo bear he bought for me from Mckleskey Todd drug store. He saved his money from working at the furniture store so that he could buy that for my Christmas birthday... So sad.

“ *I will miss Bill! His beautiful smile and blue/gray eyes. He could always make me laugh with his joking manner. The hug that he gave me was firm and the kiss on the cheek, I will forever cherish. I believe, he knew, it would be the last time we would see each other on this earth. A life gone too soon but will never will I forget him.*

My thoughts and prayers are with the family.
