“ I was deeply saddened to learn of Bill's passing. Bill was a dear friend with whom I enjoyed playing golf with virtually every Saturday. He was one of Pebble Creek finest "Mudders". I will miss him but know that he is now playing "God's greatest course". May you find peace during this most difficult time.

“ Bill was a special person and will be remembered and missed for a very long time by all of his golfing buddies. He was poised, professional, and never had anything negative to say about anyone or anything.

May god Bless you Shannon and all of the family members, may he give you the strength and comfort to move forward with fond memories of this special person.

“ Dear Shannon and Family, Jane and I were shocked to learn yesterday, of the passing of my longtime, good and special friend, who made me very well welcome when I first arrived in Greenville. Bill persuaded me to join his golf club, and we partnered each other many times in club competitions and also shared many fine friends together. You were the love of his life, Shannon, and supported him in sickness and in health. We feel for your sad loss, and will keep you in our thoughts and prayers that someday soon, the Good Lord will give you peace and comfort for your future days on this earth surrounded by your family and grandchildren.##imported-begin##Graeme and Jane Hyslop##imported-end##

“ Shannon & family. We were sorry to hear about Bill's passing. We were your neighbors at 132 Pebble Creek Drive from 1992 - 1995. We enjoyed having such good neighbors. You were my walking buddy and I truly enjoyed getting to know you better. Bill was such a nice man and I know this is hard on you and the family. Wish we were still your neighbors so we could be there for you. Remember the good times to help ease the pain. We have moved many times since the Pebble Creek address but still think of and talk of the Woods often. I know he loved to play golf and hopefully he is playing the best round yet. We received an e-mail from one of the guys at Pebble Creek that keeps everyone informed. So glad they forwarded the e-mail because we would not have known about this. Please let us know if there is ANYTHING we can do for you. You and your family are in our thoughts and prayers.##imported-begin##John & Cathy Harden##imported-end##

“ My condolences to Bill's family and friends. I enjoyed playing golf with Bill most weekends during our 6+ years in the Pebble Creek area. He was always a warm person and enjoyed the fellowship of our group. Even though we have moved many miles away, it saddens me to learn of Bill's passing. I am pretty sure that Bill is teeing one up right now.
