“ *Billy,
You were out there buddy. Great talks when you lived next door at the Cliffs in Fayetteville. A real tragedy to go so young. You're united now with mom and dad. Your mother was quite a lady and it was an honor to meet her. Rest in peace fellow vet.*

“ *Billy,

We had some really good times working at Exel....I sure will miss you calling and saying "Momma Exel, this is WEW II".....You will be truly missed by all your family and friends. I can see you up in heaven now riding your motorcycle and looking down on all of us with a big grin on your face. I really look forward to meeting up with you again someday in heaven. Until then, my friend, rest in peace.*

“ Dear Cousin Billy, I LOVE YOU ! I will always cherish my memories of my parents driving at the end of August from Massachusetts to South Carolina in a heat wave in the family station wagon. We would have fun times going to Myrtle Beach with our parents as kids. We would swim in the ocean, fish on the piers, go to water parks and play miniture putt putt. We would drink Hawiian Punch and eat Pimento cheese sandwiches, camp in a tent on the beach in 100 degree weather, and forget sunblock end up with sunburns and heat stroke? But , every year as kids we would get excited to do this again to see each other and family. It was sure fun to see Cousin Billy! Even as adults we would keep in touch, email , text, and video chat. You were a GIFT ! My bestfriend, my favorite and only very special cousin, Billy ! I know deep in my heart without any doubt YOU went straight to HEAVEN. I LOVE YOU WITH MY WHOLE HEART ! LOVE, COUSIN, KATHLEEN. , BILLY B., KATHERINE B., BROOKS B.----- BENNETT FAMILY.
