“ i am sorry to hear about your lost of your loved one. at this time i would like to to share a scripture with you and your family. death is not a natural thing. God did not intend for us to die in the beginning.because of a sin one man committed we all have fallen under that curse(romans 5:12). but you know our heavenly father Jehovah God is going to swallow up death according to Isaiah 25:8 and he will wipe every tear from all faces.
