I regret that the last few years I had not made more effort to spend some time with Bill in his favorite watering hole Tossing a dart or two. “ I just heard of Bill's passing and regret not having the opportunity to pay my last respects at his service. I worked with Bill for several years and we became friends. I enjoyed the time we spent together having a cold one and telling stories of our exploits. I will miss him and my condolences to his family. See you later Bill...##imported-begin##Gary "Ram" Ramsey##imported-end##
