“ I was saddened to hear of your dad's passing. He always made a point of stopping by to see me at my office when he was in town and able. The last time I saw him was at the Ware Shoals Inn when he was looking over the facility, thinking of moving back to the Shoals. He is a second cousin of my mother's. She always said nobody bothered her in school when Erby was around. I would have attended his service, but just found about about his death. You have our sympathy.##imported-begin##Faye Branyon##imported-end##
