“ *As a child, part of the magic of Christmas to me was walking in Granny Grace's back door on Christmas Eve and having Aunt Mae call from the kitchen for me to come give her a hug.*

I also recall her kindnesses to me throughout my life, from inviting me over to her house when I was young all the way to just a few years back, her bringing Daddy some of his favourite foods after he became bedridden.

“ Aunt Mae was the best. She was my dad's favorite sibling by far. Her and Aunt Betty used to make a lot of mashed potatoes for me at Christmas because that was (and still is) my favorite food. I always admired her work ethic even when she did not need to work.

My dad used to tell me a story of when Papa Brudge made the kids pick a certain amount of cotton each day, that Aunt Mae would always give him a handful or two to help him meet his quota. Even as a child she put others first. In my book, that is as good of a person as there is on the planet.

I hope when my time is up on this earth, I see her again and can give her a big hug.

“ Dear Donnie, Beckie and family,
My prayers are with you during this difficult time. Your mother, nana and my aunt was one of a kind. A rare gem that we were blessed to call family. While I am sad for us I can't help but rejoice for her. Reunited now with her loved ones and her Lord. We truly were the lucky ones. I hope you find peace in knowing that those of us who knew her and loved her are praying for your strength. All Our Love,

“ Willie Mae,
I just want to say thank you for a wonderful four years of being a tenant in your building. You helped my business grow and supported me from day one and I thank you for that. You'll be greatly missed by everyone who loved you dearly.
