“ We are saddened for the earthly loss of Aunt Willie Mae, but agree with every word in your writing about her strong faith and the wonderful person she was. We are thankful for the joy of knowing she has joined her loved ones in heaven. We always adored and loved her so very much. It meant the world to us to have her and Uncle George with us when Daddy was so ill. Their love meant so much to us, and helped keep us going thru' that time. She was a very precious, dear Aunt and forever loved! I can imagine her beautiful smile when she saw Jesus in heaven, and also Uncle George! She was one of the most beautiful and sweetest person I've ever known. Know we love you and pray you are doing all right!###imported-begin##Tony and Kerry Bonnaville###imported-end##

“ Frank, we are so sorry your mom had to leave you for awhile but we will get to see her again someday. She was so precious to me and I know she prayed for me and my illness she certainly did have faith in God and that He would be back again someday to set up His Kingdom an she was going to get to be a part of that. We really loved your parents and felt it a Blessing just to be friends with them. I leave you with a verse that is so precious to me and that is [1 Cor 2:9 But as it is written, eye hath not seen,nor ear heard, neither have entered into the heart od man, the things which God hath prepared for them that love Him!###imported-begin##Martha Dodgens###imported-end##

We are sorry to learn of your mother's death. She was such a beautiful person and she will be missed by all who knew her. My family got our first puppy from your family - a little brown ball of fur and it was precious - we had it for several years.
